

This architectural cross-section illustrates the building's structure, including the underground parking garage and the ground floor. The ground floor features a 'WELLNESS' area, a 'BIOSAUNA' (sauna), and a 'PARCHEGGIO COPERTO' (covered parking) area. The underground parking garage is labeled 'AUTORIMESSA INTERRATA' and contains several car stalls. The building is situated on a sloping site, with the ground level indicated by a dashed line labeled 'profilo originale terreno'. The section shows the building's foundation, walls, and roof structure. Key dimensions and elevations are marked, such as the ground level at +0.65, the parking level at -0.78, and the basement level at -5.55. The building's height is shown as 18.11 meters. The section also includes a view of the surrounding landscape, including trees and a road labeled 'Via della Gesa'.
